EDUCATION

B.TECH(COMPUTER SCIENCE AND ENGINEERING)   2027
IIIT DHARWAD (Dharwad, Karnataka)

MINOR IN CYBER SECURITY   2026
IIIT DHARWAD (Dharwad, Karnataka)

WORK EXPERIENCE

FULL STACK DEVELOPER   March 2025 - July 2025
Yoliday LLP

I enhanced Yoliday's web platform by integrating and customizing Strapi CMS, enabling seamless content updates. I designed and implemented new features to improve user experience and navigation, resolved UI/UX issues to ensure responsiveness across devices, and optimized overall performance. Leveraging React.js, Next.js, TypeScript, Zustand for state management, and modern styling libraries, I collaborated closely with the development team to maintain high code quality and follow best practices.

FULL STACK DEVELOPER   May 2024 - Present
Institute Website (Indian Institute of Information Technology Dharwad)

Collaborated with a 15-member team to architect and develop the new IIIT Dharwad website, delivering a functional base version within a stringent 10-day timeline. Contributed to the development of a robust CMS using Sanity.io to enhance functionality and streamline content management. Applied diverse development approaches for efficient delivery and took ownership of critical tasks

PROJECTS

CHATTERBOX   Jan 2024 - Feb 2024
Technologies: Reactjs, nodejs, expressjs , zod ,Socket.io

🔗 https://chatter-box-client-opal.vercel.app/

Built ChatterBox, a full-stack chat application using ReactJS, Node.js, Express.js and Socket.io with real-time messaging. Implemented Zod-based schema validation to ensure secure, reliable client–server communication

RESUMAI   March 2024 - April 2024
Technologies: React.js, Zod, Nextjs ,

🔗 https://resum-ai-ten.vercel.app/

Developed Resumai, a full-stack resume builder combining resume creation with AI assistance (Resume + AI). Built with React.js for a responsive UI and Express.js. Integrated Zod for robust schema validation and implemented an AI-powered suggestion system to help users generate and refine resume content, enabling a faster and more polished resume-building experience.

SYNC-SPACE   Jan 2025 - Feb 2025
Technologies: Next.js, React, Node.js, Express.js, WebRTC, PeerJS, Socket.IO, Prisma ORM, PostgreSQL, Tailwind CSS, JavaScript, JWT Authentication, Real-time Communication, Radix UI

🔗 https://sync-space-client.vercel.app/

Sync-Space is a real time collaboration platform. It features Professional and Gaming modes enabling video meetings with a live collaborative canvas or interactive games like Scribble and Memory Game with integrated video chat.

SKILLS

Frameworks & Libraries : Express.js, Next.js, Node.js, React.js, Zod, Zustand, Pandas, NumPy, Matplotlib, GSAP, shadcn

CMS & Backend Technologies : Strapi CMS, Sanity.io

Tools & Technologies : Git, GitHub, Prisma ORM, JWT, Cloudinary, Multer

Programming Languages : Python, JavaScript, TypeScript, C/C++, SQL
